

Return

Lyrics by Stewart Fenters, Ella Porter, Ava Porter

Father, we kneel down
And we are honest
Lord, we have broken
Every promise

Despite our failures
Your love is faithful
You will not turn away
You never will

**You are the Lamb of God
Who takes away
The sins of the world
We return to you**

**You are the one who died
To set us free
To bring us to life
We return to you**

We are not hiding
Your spirit is moving
Your kindness will bring us
Close to you

We are confessing
And we are turning
We embrace freedom
And rest in your healing

Jesus, O, Jesus
There is forgiveness
In your name
