Click "Next" and enter your mobile phone number. If this is your first time entering the system, you will receive a text message with a link, prompting you to set up an account with your name, contact information, and preferred payment method (ACH or Credit Card).

The image displays two side-by-side screenshots of the pushpay.com mobile application interface. Both screens show the 'PAYMENT METHOD' section with the text: 'New City Church - SouthPark accepts debit cards, credit cards and bank transfers.' Below this text is a back arrow and the text 'Go back to confirm gift'. There are two tabs: 'Card' and 'Bank account'. The left screenshot shows the 'Bank account' tab selected, with fields for 'Routing number' and 'Account number', and 'Account type' options for 'Checking' and 'Savings'. The right screenshot shows the 'Card' tab selected, with fields for 'Card number', 'Expiration' (MM / YY), 'CVW' (with an information icon), and 'Zip Code'. A large teal 'Next' button is visible at the bottom of the right screenshot.

If you have logged in before, you will receive a confirmation code via text message to enter into the website. Once you enter it, you will be able to access your account and make any changes.

Step 4

Confirm your information is correct and scroll down to select "Schedule Recurring Gift."

The screenshot shows the Pushpay website interface. At the top, the browser address bar displays "pushpay.com". Below the navigation bar, which includes the "NEW CITY" logo and a user profile icon, the main heading reads "CONFIRM YOUR GIFT". The gift amount is displayed as "\$ XX.XX". The details of the gift are: "Set up a recurring gift of USD \$ towards General Fund for New City Church - SouthPark". It also states "Repeats every month / First gift on Nov 16, 2020" and includes a "Change details" link with a pencil icon. Below this, the "Payment method" section is visible, showing a "Credit Card Type" with a green checkmark, a masked card number "**** *", and an expiry date of "12/2020 01/2021". A blue "EXPRESS" button is located next to the expiry date. At the bottom of the payment method section, there is a dashed box containing a plus sign and the text "Add new payment method".

Step 5

Once you have set up your recurring gift on Pushpay, you can go to New City Center and **cancel your recurring gift schedule** there.
