Jeff Helton

 - Why do they mean so much to you?
- Read Proverbs 18:1.
 - Why is it dangerous to isolate ourselves from community?
 - How have you seen social isolation play out in our current culture?
 - How have you seen it play out in your own life?

APPLICATION

 - If so, what has been the biggest help through it?
- Do you consider yourself one who “assumes the best” in people or one who “assumes the worst?”
 - How should our Christian faith shape our view of relationships?
- Would you consider yourself “quick to forgive”?
 - How would your spouse or those closest to you answer that question?
 - Do you need to approach someone and ask for forgiveness this week?
