Matthew 21:33-46

Stories Jesus Told

GOING DEEPER

- Why do you think so many people see Jesus as a “good, nice teacher” and fail to study his teachings about judgment?
- Read 1 Peter 2:4-10.
 - If we are the “spiritual house,” what does that say about the importance of Christian community?
 - What does it look like to build your life upon Christ as the cornerstone?
 - What does it mean to you to be a part of God’s chosen people?

APPLICATION

- We often think of warnings as something bad, but how are God’s warnings a sign of his grace?
- What do you think this means: “The kingdom of God will be taken away from you and given to a people who will produce its fruit” (Matthew 21:43).
 - Practically, how can you “produce fruit?”
 - As others look at your life, would they know you as a Christian by the fruit you’re producing?
 - What are some ways we use our religiosity to mask our lack of fruitfulness?
- What are some ways we have failed to honor God’s Son that we should repent of and find forgiveness?
