Daniel 1:4–7

No Matter What

GOING DEEPER

- How do you identify yourself?
 - When you meet someone new, what is the first thing you tell them about you?
- Have you ever made a choice to stand up for something you strongly believed it?
 - What was the result?
- Read Daniel 1:1–7.
 - Imagine being in Daniel's shoes. How do you think you would've responded to this situation?
 - How did Daniel's knowledge of God help him accept what happened to him?
 - How does this understanding of God help you deal with unforeseen circumstances in your own life?

APPLICATION

- Practically, what does it mean to identify yourself as a Child of God?
- In what ways are you staying too *comfortable* and not stepping out into your *calling* from God?
- What in your life pulls your dependence away from God?
 - How can you *resolve* to stay dependent on your Heavenly Father?
 - What can this group do to help?
