Ephesians 4:7–10

What We Believe

GOING DEEPER

- When have you relied on someone else's skills to get a job done?
- Do you know how God has gifted you for ministry?
- Read Ephesians 4:7–10.
 - What gifts did Christ give and to whom were they given?
 - How are grace and gifts connected? (see 1 Peter 4:10)

APPLICATION

- How well is our church reaching, welcoming, and uniting people of diverse backgrounds?
 - How are you contributing to those efforts?
- When you think of the images of the shopping cart and the basin and towel, which more accurately represents your relationship to the church?
- How are you actively using your gifts in our church?
 - Would you consider yourself a good steward of your gifts?
