Ephesians 6:10–13

How We Live: Armor of God

### GOING DEEPER

What is your favorite war movie?

- Explain to the group why you liked the movie. Give the plot, the heroes, and the outcome.
- Concerning the aspect “being prepared for battle” in the movie, what did you see as far as knowing their weapons, using them well, and that being a main part of success or failure?

Read Ephesians 6:10–13

- What do you think the armor of God could be and what does it do?  
(By the way, don’t read ahead in this passage yet. We will get more detailed next week, this time we are trying to fly 30,000 feet.)

Read Revelation 19:11–16

- How does this passage help you understand what the armor of God can do?
- How does the armor of God help us to be aware and fight against the schemes of the devil?

### APPLICATION

What schemes of the devil are the hardest to resist?

How have you prepared your heart with the armor of God this week?

What truth do you need to stand firm in this coming week to be even more vigilant?
