

SERMON BASED STUDY

Jeff Helton

Weekend of October 26/27, 2019

INTRODUCTION

- When you work on a project, goal, or task, do you typically start strong or finish strong?
- If you had *all the time in the world*, what would you do with it?

INTO THE BIBLE

Read Psalm 90:1-6.

- What images are used here to illustrate life's fragility?
- What hope does it give us in recognizing that we are finite but God is infinite?

Read Psalm 90:12-17.

- What are things that Moses is asking of God?
- What are things that Moses sees God granting in return?

Read James 4:13-15.

- The uncertainty of tomorrow is something we all face. In what ways have you seen people procrastinate spiritually because they believe there will always be a tomorrow?
- What have you put off in the past that you wished you hadn't?

APPLICATION

- If someone were to analyze how you spend your time, what would they say are your priorities?
- How do you determine what gets your best and most focused time?
- In light of the sermon Sunday, what are some practical ways you can redeem your time?
 - How can this group help you take those steps this week?
